Job Title: Direct Primary Care Physician

Company: Milepost Medical (www.milepostmedical.com)

Location: Houston, Texas

Job Type: Full-time preferred

About Milepost Medical:

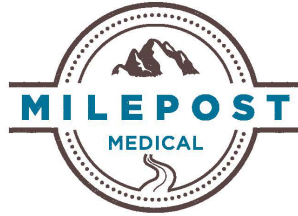

Milepost Medical is a pioneering Direct Primary Care (DPC) medical practice dedicated to providing accessible, personalized, and patient-focused healthcare services. With a commitment to transparent and affordable healthcare, Milepost Medical empowers individuals and families to prioritize their well-being through a direct relationship with their primary care physician.

Position Overview:

Milepost Medical is seeking a dedicated Direct Primary Care Physician to join our innovative practice. As a DPC Physician, you will have the unique opportunity to build meaningful relationships with patients, focusing on preventive care, and delivering comprehensive medical services without the constraints of traditional insurance models. We offer primary care services to patients of all ages, newborn to elderly. Goal patient panel is 500-600 patients with an hour scheduled per new patient visit and 30-60 minutes for follow-up visits.

Responsibilities:

- Provide primary care services to a panel of patients, emphasizing prevention, wellness, and timely access to care.
- Establish strong, ongoing relationships with patients to understand their individual healthcare needs and preferences.
- Conduct thorough medical assessments, including physical examinations, diagnostic testing, and preventive screenings.
- Utilize telehealth and in-person consultations to enhance accessibility and convenience for patients.
- Collaborate with patients on health education and empower them to actively participate in their healthcare journey.
- Maintain accurate and up-to-date electronic health records (EHR) in compliance with DPC standards.
